*Cincinnati, OH – June 8th, 2010* – Fusion Alliance, Inc. ranked number one on the 2010 Best Employers in Ohio list of Small and Medium-sized Businesses. The list is published by the Best Companies Group. This is the second consecutive year that Fusion Alliance, Inc. has been ranked first on the list.

“We are extremely proud of this ranking,” said Julie Kimmel, the company’s president. “It is affirmation of the culture we have built here at Fusion Alliance. We pride ourselves on the fact that we listen to our employees; continuously asking for feedback and then acting on it to improve the workplace and products.”

“The people that work at Fusion carry the culture of listening and learning to the customers,” Kimmel said.

“Taking care of our employees ultimately takes care of our clients,” Kimmel said. “We have worked hard to establish an environment of high-performance, creativity and accountability. We have found that when our employees feel respected, empowered and challenged professionally, they do a great job of delivering solutions to our clients.”

“This survey and award program was designed to identify, recognize and honor the best places of employment in Ohio, benefiting the state’s economy, its workforce and businesses,” said Peter Burke, president of Best Companies Group.

The complete list – along with profiles of each company’s benefits package and corporate policies – will be unveiled in a special publication produced by Journal Publications, Inc. which will be distributed statewide this month, Burke said.

The annual list of “Best Employers in Ohio” was created by the Society for Human Resource Management (SHRM) – Ohio State Council and Best Companies Group.
